Aluminum ecological Modular House mobile house

Product analysis

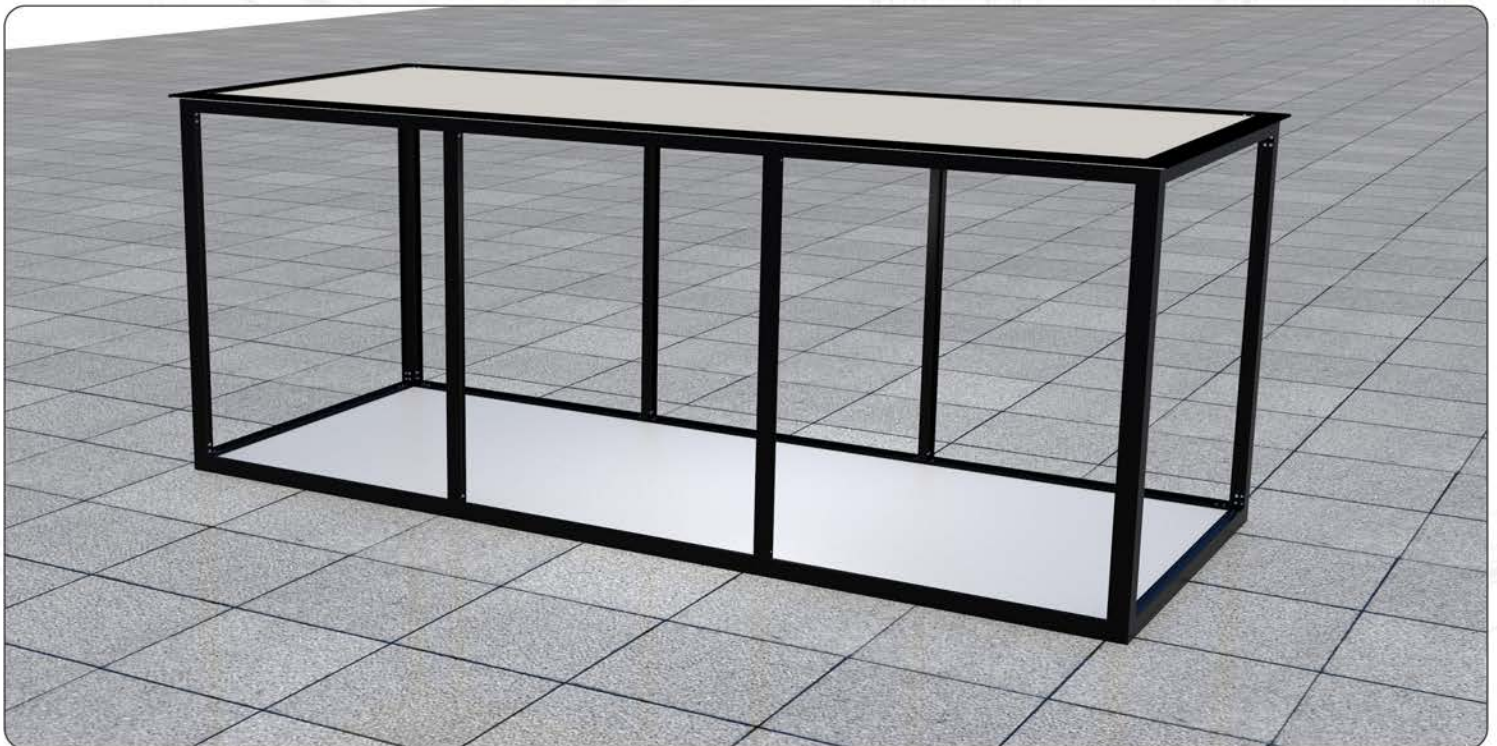

Movable and field module assembly

Moisture proof, insect proof, mildew proof, heat insulation

Anti aging and anti-seismic

7 Main frame structure

Aluminum alloy integral frame

Safety assembly fasteners

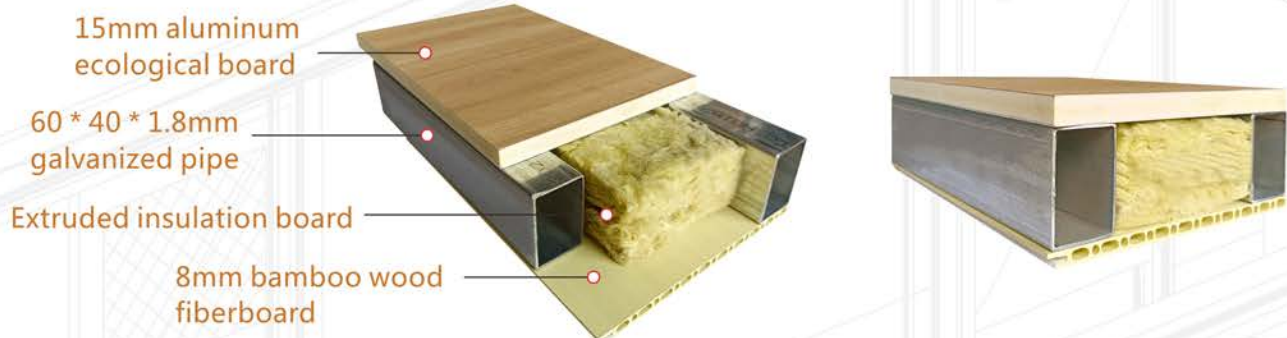

**Stainless steel, galvanized fasteners, no looseness,
no deformation, corrosion resistance**

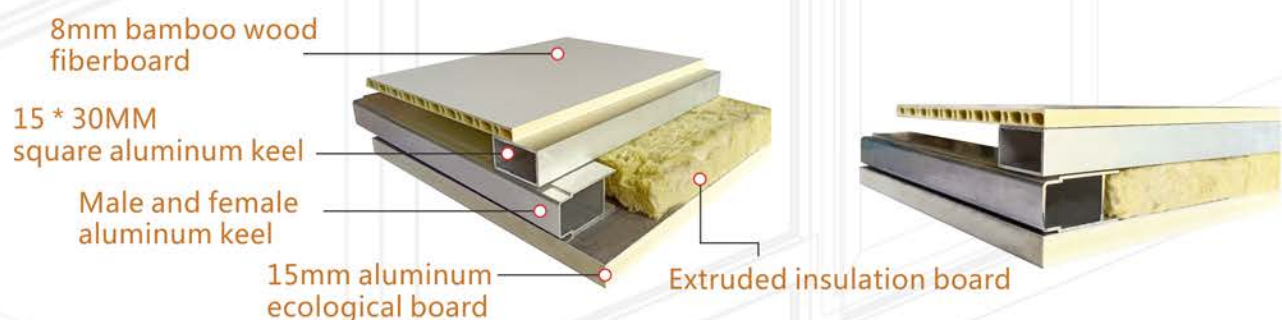

Roof structure and material

Galvanized square pipe frame welding, four layers of aluminum alloy ecological composite thermal insulation
Waterproof and anticorrosive materials; Fluorocarbon paint is weather resistant, anti-aging, anti fading and durable

Wallboard structure and material

Galvanized square pipe frame welding, four layers of aluminum alloy ecological composite thermal insulation
Waterproof and anticorrosive materials; Fluorocarbon paint is weather resistant, anti-aging, anti fading and durable

Floor structure and material

Galvanized square pipe frame welding, four layers of aluminum alloy ecological composite thermal insulation
Waterproof and anticorrosive materials; Fluorocarbon paint is weather resistant, anti-aging, anti fading and durable

Lighting and material

Indoor light + warm light combination, outdoor roof decoration
LED light strip

Product publicity configuration and material

Configurable advertising and learning video machine: HD advertising light film,
Let advertising become a beautiful scenery!

Interior soft decoration and material

Desk / tea table

Air conditioner

Kitchen facilities

Shower facilities

Air conditioning, desk, tea table, shower, kitchen facilities,
product samples, etc

Product display and Application
